Terms and Conditions

The intent of this contract is to provide state agencies with an expedited means of procuring McAfee Active Virus Scan Software licenses and support at discounted prices based on volume levels.

ITSD will purchase software on behalf of all state agencies as all State of Montana desktop computers and servers connected to the State network are required to have this software. This is part of your ITSD Desktop Rate.

Agencies and entities with Cooperative Purchasing agreements may purchase and pay for software directly.

You must purchase the both the Perpetual License and the 2nd year support.

The State of Montana has implemented a Procurement Card Program to give agencies the ability to charge purchases made from this contract. The State of Montana prefers this method of payment. Transaction fees may apply. Contact the State Procurement Bureau for more information (406) 444-2575.
